

Organizing Report

- 1) Unity Tuesdays. Lets' get everyone in orange on Tuesdays again. The store is open with lots of options for clothing with Fsuta logo. Talk it up. The more members that show their colors the easier it is for us to advocate and bargain on their behalf. New members with a coupon can get a t-shirt for around \$5. Encourage them to do so.

- 2) Food bank volunteer schedule. It's fun, it helps the community, and it makes us look really good as an association. Get some people, wear your gear, take pictures and help our community.
- 3) No events planned yet. We encourage you to set up pot luck breakfasts or something on your own at your sites until we have a bigger event planned. We need Committee members and volunteers to help us decide what we want to do this year and to help implement strategy.
- 4) What do we organize around while we take a short break from bargaining?
