

Hello everyone,

Here are the two proposed calendars for the 2019-2020 school year. Please bring these to your schools and have your teachers check them out and give us feedback on which calendar they would prefer.

Our email is fsutacalendar@gmail.com

Because of the later start, high school and middle school both end the first semester on Jan. 16 (the 17 being a workday).

Everything is the same on the two calendars except for the spring break dates.

- Elementary end of school year June 12

Calendar H
