

# Script for Google Presentation “It’s Your Bargain”

**Slide 1** - begins presentation

**Slide 2** - read: As our president, Nancy Dunn, wrote in her 2/24 President’s Report, “If it was not clear previously, it should be clear now that we need to organize to show our unity and strength to maintain and improve our contract. Early participation by a super majority of members is necessary to have positive outcomes in negotiations.”

**Slide 3** - read: Recently we asked you to take a survey indicating the issues you want bargained, what you are willing to do to support the bargain and what it will take to win.

**Slide 4** - read: On Thursday March 7th at the FSUSD School Board meeting, we will sunshine articles our members asked to be bargained. Our center piece for this bargain is class size reduction across all grade levels and departments.

**Slide 5** - Read the slide

Slide 6 - read: Site Reps need to count every member on campus wearing orange and text the information to Nancy @ 707-389-6623 by 4:00. Imagine how powerful it would be if Nancy could report to the board that 1000 teachers wore orange on Thursday in support of the bargain?
